

Skin Care and Spa Care Products

For over thirty-five years Apollo has set the industry standard for quality and value. Our complete line of skin care essentials address every need, from hygiene and odor control to restoring and maintaining healthy, resilient skin. Our spa care products help protect your investment, assuring reliable operation of your bathing spa for years to come.

Skin Care Products: Bathing and Showering

Apollo's signature Hygena™ skin cleansing essentials deliver the best in skin, scalp and hair care with ultra-gentle hand soaps, body washes, and shampoos that leave the body feeling refreshed. The premium ingredients used in all Hygena products thoroughly cleanse and remove odors on contact, rinsing completely to protect and maintain healthy, resilient skin.

Hygena™ Original: Ultra Odor Eliminating Shampoo and Body Wash

- Specifically formulated to eliminate the toughest, most offensive odors.
- Rinses completely, minimizing chances of skin irritation and soap dermatitis.
- May be diluted two parts water to one part body wash for economy or every day hygiene.

Hygena™ Foam: Luxurious Foaming Shampoo and Body Wash

- All of the skincare benefits of Hygena™ Original Ultra Odor Eliminating Shampoo and Body Wash in a rich foam.
- Formulated for shower use, perfect for tub baths or for hand washing.
- Dispensed as a thick, luxurious foam so you use less product per application.

Hygena™ Plus: Intensely Moisturizing Foaming Body Wash

- Formulated with urea and lactic acid to moisturize skin during bath or shower.
- Perfect for arid climates such as high altitudes, desert areas or regions with cold winters.
- Extremely beneficial for frequently washed hands and problematic dry skin.

Apollo Wall Mounted Skin Care Product Dispensers

- Wall mounted dispensers for easy, measured application when washing hands, bathing or showering.
- Use with Apollo's body wash and shampoo, skin conditioning oil, and foaming soaps.
- Economical and ecologically-friendly: No cartridge waste; No product waste; Simply refill at any time.
- Purchase a case of applicable Apollo skin care products and purchase for just \$5 more!*

Wall Dispenser

Soap & Bath Oil
Wall Dispenser

Perine™ No-Rinse Foaming Cleanser

- No-rinse skin cleanser: Perfect for bedridden residents.
- Eliminates embedded incontinence odors and conditions skin, leaving it feeling smooth and healthy.
- Use in conjunction with Apollo Cream™ Conditioning Barrier Cream for superior incontinence care.
- Foaming applicator dispenses a rich, luxurious foam.
- Economical: Pennies per clean-up.

Therasol™ Natural Bath Oil and Skin Conditioner

- Natural bath oil/skin conditioner disperses completely in bath water to moisturize entire body.
- Unlike other brands of conditioners, does not re-deposit on tub surfaces making cleaning and disinfecting easier.
- Apply directly to damp skin to lock in moisture. Forms a lotion that leaves skin fresh with no greasy feel.
- Great for a wide variety of dry skin issues including dry, itchy scalp, scaly ankles and powdery dry skin.

Skin Care Products: Lotions and Creams

Thera 5™ Moisturizing Lotion for Moderately Dry Skin

- Moisturizing body lotion with lactic acid and 5% urea for moderately dry skin.
- Replenishes the body's natural skin moisturizers, reversing the effects of aging and dryness.
- Perfect for nurses' stations or areas where hands are washed frequently to help keep hands healthy.
- Absorbs quickly, leaving no greasy residue.

Thera 10™ Intense Moisturizing Cream

- Intense moisturizing cream with lactic acid and 10% urea.
- Effectively treats extremely dry skin and problem areas such as elbows, heels, knees, and ankles.
- Long-lasting moisturizing for overnight use—no need to disturb residents for additional applications.

Apollo Cream™ Conditioning Barrier Cream

- Outstanding barrier cream for red, sore, and irritated skin.
- Vitamins A and D help relieve irritated skin.
- Beeswax provides a protective barrier against further irritation.
- Even while providing a protective barrier, allows bandages to adhere to skin.
- Perfect for conditioning skin after incontinence clean up (use in conjunction with Perine™ No-Rinse Foaming Cleanser).

Spa Care Products and Air Sanitizers

DuO™ Air Sanitizer

- Patented ionic air sanitizer that eliminates airborne odors; does not simply cover them up.
- Available in a variety of pleasant scents.
- Economical: Just two sprays will deodorize most rooms.
- Use with Perine™ No-Rinse Foaming Cleanser and Apollo Cream™ Conditioning Barrier Cream for complete incontinence care.

Turbo Clean™ Pre-Disinfectant Detergent

- Hospital-grade cleaner that meets the “pre-cleaning step” required by all quaternary disinfectants.
- Use on all hard, non-porous surfaces that require a pre-cleaning step prior to disinfection.
- Specially formulated to keep whirlpool and air spa lines clean and free of build-up.
- Economical: Dilutes one ounce per gallon of water.
- Perfect for cleaning shower chairs and stalls, all brands of bathing systems, and any surface that requires disinfection.

Cid-A-L™ II Quaternary Disinfectant

- Apollo's signature quaternary disinfectant.
- Contains more detergents than other quaternary disinfectants on the market, enhancing its effectiveness.
- Highly concentrated: Dilution ratio of one ounce per gallon of water versus other brands that require up to three ounces per gallon.
- Highly effective when used in conjunction with Apollo's Turbo Clean™ Pre-Disinfectant Detergent.
